

2024 SUMMER INSTITUTE in PROGRAM EVALUATION

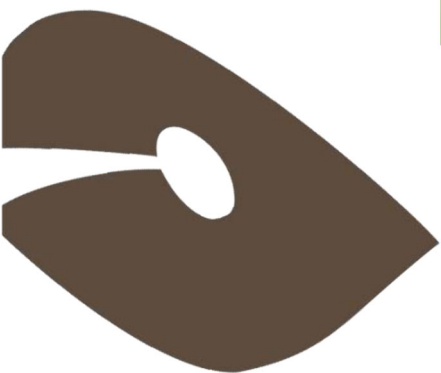

LEARN HOW TO EVALUATE PROGRAMS

The **Summer Institute** brings together university students and community-based practitioners to learn together about evaluation.

The Institute combines lectures, case studies and group work to explain the concepts of participatory evaluation with a goal to improve evaluation planning and execution.

June 3-7, 2024
8:30am – 4:30pm

University of Manitoba,
Fort Garry Campus
Winnipeg, Manitoba

Do you have a program that you would like to evaluate?

Submit a Case Study.

Accepted case studies will be workshopped to **develop an evaluation framework**, and **follow-up will be supported** after the Institute.
